

Logbook: 05

Meeting No: 05

Date: 2025/4/25

Start Time: 8:30 AM

End Time: 9:00 AM

Items Discussed:

- Integrate AWS S3 cloud storage for courses videos.
- Integrate Khalti/esewa Payment Gateway to handle course purchases.
- Start working on course enrollment after successful payment.
- Display enrolled courses on the student's dashboard.
- Implement order history section for users to view their previous purchases.

Achievements:

- Successfully connected AWS CloudFront for fast course video delivery across regions.
- Users can now make secure payments through Khalti and eSewa.
- Payment confirmation and transaction details are stored in the backend.

Problems (if any):

Tasks for the Next Meeting:

- Begin writing documentation for key features (login, course purchase, profile management, etc.).
- Create test cases to verify the functionality of major components like login, payment, and video access
